

VISION STATEMENT

Ākonga will flourish academically, spiritually and personally, develop a sense of tūhāhā (self) and whanaungatanga, to enable them to be confident, compassionate global citizens.

GOALS

Giving Effect to Te Tiriti o Waitangi

- Explore connections between school values, special character and Mātauranga Māori.
- Te Tuakiritanga - support and grow Te Reo within the school
- Resource opportunities for staff to explore Mātauranga Māori in their curriculum area.
- Regular consultation/korero opportunities with whānau and students.
- Waiata and Haka are further embedded.

Developing and embedding an inclusive school culture

- Review, develop and embed St Hilda's values in actions
- Develop a plan of action for identified priorities within the Wellbeing Framework.
- Develop a Staff well-being plan in consultation with staff.
- Embed and enhance understanding of the school-wide Restorative practice and process with staff, students and whanau.
- Encourage and promote language and awareness of inclusivity

Explore quality teaching, leadership and structures that make a difference for our learners

- Developing culturally responsive teaching and assessment practice and pedagogy to meet the needs of all ākonga.
- Explore flexible timetable structures to promote learning.
- Te Tuakiritanga - support the growth and development of Te Reo as a subject within the school
- Further develop learning support programmes to assist all ākonga
