### SCHOOL TUITION FEES

School tuition fees cover the provision of tuition including ESOL classes. Students will need to purchase their own workbooks.

### HOMESTAY FEES

The International Student Manager arranges places in homes in the local community for our international students. The fees for homestay cover a period of 48 weeks (four terms) which includes term break holidays.

St Hilda's Collegiate School is also a boarding school, however our residence usually has filled all its boarding places. There sometimes may be a place available and you are welcome to inquire.

### DISBURSEMENT/EXAMINATION FEES DEPOSIT

The disbursement deposit is used to pay accounts incurred by students during the time they are studying at St Hilda's Collegiate School. These accounts may include sports fees, orchestral instrument hire, school field trips, school stationery, subject fees and examination fees. Additional funds will need to be provided to cover itinerant music teacher charges if private lessons have been organised on request made by the student or student's family.

### UNIFORM

All students are expected to purchase their own blazer. Those students who are expecting to study for more than one year must buy their own full school uniform. Those students who are expecting to study for one year or less may either purchase or hire everything except the blazer.

### EXAMINATION FEES

Students who sit the New Zealand NCEA qualification are required to pay the examination fee set by the New Zealand Qualifications Authority. Examination fees are deducted from the individual student's disbursement deposit.

### UNUSED FUNDS

Any funds remaining in the homestay, insurance and disbursement deposit accounts of a student will be refunded to the student following the completion of their education with St Hilda's Collegiate School.

\*Please note that these fees are subject to change
