Applications for the scholarship close at noon on Monday 1 September 2025. Day girl applicants will be balloted for 2026 as per the school's application process. Only applicants who meet the eligibility criteria and have been successful in their application through the ballot process will then have their scholarship applications considered by the Courtney Rowe Scholarship Trustees. - evidence of the applicants commitment to learning and positive application
- a history of, and interest in, service to a school or wider community
- commitment to co-curricular activities
- an affiliation with the Anglican Church
